Equipped to provide exhibitors with full display services, they will maintain a complete service centre in the MTCC – North Building at the time of the show.

### **Freeman can provide:**

- Furniture, accessories and other rentals.**
- Signs** - It is best to order well in advance.
- A complete service to exhibitors**, including fully equipped pre-fab booth set-up. See order forms & brochures on the following pages.

Arrangements can be made to have your booth installed by Freeman Decorators. In this way an exhibitor may have his booth erected and ready for operation before his personnel arrive at the show.

## **BOOTH EQUIPMENT**

A standard drape booth will be supplied to all by Show Management without charge. Color available is white, though other colors may be ordered for an extra charge. **Exhibitors may not paint the floor space in their displays, drill or damage the floor in any manner.** Exhibitors requiring assistance in installing or dismantling their display should contact Freeman. Other contractors may be used if requested, but they must conform to union regulations in the building, and they must present evidence of insurance to Show Management prior to the move-in.

## **EXHIBIT SPACE RENTAL ALSO INCLUDES:**

- Materials Handling, **NOT** including uncrating, assembly and spotting
- Listing on official show app and website
